MONTH 20XX

CALENDAR

Indigenous People's Day: 4th Anti-Columbus

01

Indigenous Peoples Day
4th Anti-Columbus Day Tour
This year it looks different !! We are
escalating

Monday, Oct 14 @ 3:00 pm
Bring friends and family, children and
comrades. Mask up!!

Gather in front of the racist Roosevelt
Statue in front of the American Muse-
um of Natural History (CPW b/t 79th
and 81st)

Our movements for decolonization,
abolition, sanctuary, housing, anti-cap-
italism, as well as demilitarization and
anti-war, are coming together as we
continue to build power in order to un-
settle and reclaim our city.

We will show capital and politicians how
strong we are, and we will say together
loud and clear ahead of the Oct 17 vote:

NO NEW JAILS ON STOLEN LAND
RETURN THE LAND TO ITS PEOPLE

Monday, 14 October
2019 from 15:00-17:30

American Museum of
Natural History

2nd FTP Emergen-cy Action Against

02

On Nov.1st, 2,000 of us took the
streets of Brooklyn to warn De Blasio,
Cuomo, and their lapdog army the
NYPD that we wasn't playing fucking
games with them no more! We drew
a line in the fucking sand. That we
refuse to tolerate their escalation of
violence against poor people, against
the black, brown, indigenous, undoc-
umented, and trans folk on the streets
and in our subways.

We said FUCK YOUR! $2.75! Cops out
of the MTA! We said No new jails on
stolen land. We said you got 11 billion
for new jails?! You got it to repair NY-
CHA and free transit!

WE MEANT THAT SHIT! This city,
from Brooklyn to Harlem and beyond
is at war with its own people. Denying
us housing while you build luxury
condos, new museum wings, and jails.
Hiring an army of pigs to beat us down
and harass us in the subways cuz we
can't pay. Now, they hired Dermont
Shea who is the bastard behind the
gang database as the new police
commissioner. His work will be used
to sweep all of the youth off our blocks
en masse. WE SAY FUCK THAT!

Friday, 22 November
2019 from 17:15-19:00

Harriet Tubman Memo-
rial, Corner of W. 122nd
St and Frederick Doug-
lass Blvd., Harlem
